

Important Notice

Dear Parents/Guardians

As part of the preschool regulations to ensure safe food hygiene all perishable foods such as,

- meat & fish products (for instance, Ham, chicken, turkey, tuna, beef, salami)
- dairy & soya (for example, cheese, yoghurts, milk & eggs)
- sandwich spread or salad
- fruit which should be cut (e.g. grapes, apples, bananas, oranges)
- drinks (smoothies)

We refrigerate food to keep bacteria, yeasts, and moulds from the favourable temperature they need to grow. To ensure this food needs to be stored during playschool hours in a refrigerator at temperatures of 0°- 5°C.

Perishable food will be discarded if left at room temperature for more than two hours.

To comply with this practice, we ask that

- Each child's lunch/snack is in an airtight named container
- Please give to child's small group teacher/keyworker
- or put in child's small group blue baskets at the beginning of each session
- Food can then be refrigerated

If you have any further queries, please do not hesitate to speak to a member of the butterflies' team.

Thank you
